INDUSTRIAL PANTS

You will love these easy care—the 65% Polyester 35% Cotton blend is soft and comfortable with a permanent crease. They feel great and stay sharp!

The interlined waistband stays neat, won't stretch or roll. The 2 stylish front pockets and 2 set-in hip pockets allow for ample storage, with a professional look. The left hip pocket has a button for security. This pant features two hip darts to give an enhanced fit and smooth appearance.

Designed to last, they feature bar tacks at all stress points and a strong brass ratcheting zipper.

Colors shown are for reference only. Actual colors may be different.

Size range available: 28-60
