Best Service and Best Quality

COTTON COVERALL

Product Description:

Our top-of-the-line Unlined Coveralls feature rugged durability, unflinching toughness and features that most coveralls only hint at, making them perfect for a variety of work sites. For convenience, the coveralls have two brass zippered chest pockets, two reinforced hip pockets (left with a brass zipper), two front swing pockets with side openings, ultra-useful double rule pockets on the right leg, a hammer loop on the left leg, and a two-way heavy-duty brass zipper with locking slider. Want comfort? How about an edge-stitched collar, two snaps on lapels, hidden snaps on cuffs, safety-stitched seams and a pleated bi-swing action back for extra swing. Finally, for maximum durability, we offer four-needle stitching on the waistband with elastic inserts, and bartacks to reinforce all stress points.

Our deluxe unlined coveralls offer a preshrunk 8.2-oz. 100% cotton twill.

PRICE: \$46.95
