## POPLIN COVERALLS

### Product Description:

Our poplin Short Sleeve Coveralls are a great warm climate work choice. Ready for any task, these coveralls feature a 5.5-oz. 65% polyester/35% cotton poplin blend shell (with soil release!). And you know what? They offer features galore. Check it out. These poplin Coveralls come standard with an edge-stitched collar, two chest pockets (right with flap, left with pencil slot), four-needle stitching on waistband with elastic inserts, one snap on lapel, two front swing pockets, two hip pockets, safety-stitched seams for durability, the ever-popular and always comfortable pleated bi-swing action back, all stress points reinforced with bartacks and a two-way heavy-duty brass zipper with locking slider.
